CREATIVITY FOR GOOD HAS A NEW HOME

Welcome to our Agency!

WELCOME TO THE NEW ROXO

We're thrilled to welcome you to Roxo's new home in Moudy South! Located on the first floor and visible from outside the building, this space reflects our growth as an agency and creates a hub for client meetings, collaboration, and creativity. Today's ribbon cutting marks a new chapter for Roxo, featuring past campaigns and a workspace designed for brainstorming sessions, team briefings, and future events.

INTRODUCING OUR AGENCY

Roxo is a full-service, student-run public relations and advertising agency in the Department of Strategic Communication at the Bob Schieffer College of Communication at TCU.

OUR WORK

Since 2011, we've partnered with more than 100 clients — from major healthcare organizations to startups, growing businesses, nonprofits, and TCU departments — earning recognition for innovative campaigns and work that makes an impact in the community. More than 450 students have been part of Roxo, gaining hands-on experience in marketing and communications while delivering results for real clients.

Every semester, Roxo delivers high-quality marketing and communication work. Each of our four teams is comprised of an account executive, creative director, account planner, graphic designer, copywriter, public relations manager, and social media manager, all working together to create impactful, results-driven campaigns.

FUN FACT: 'ROXO' MEANS 'PURPLE' IN PORTUGUESE — A NOD TO OUR HORNED FROG PRIDE AND BOLD CREATIVITY.
